

COLLABORATIVE DIVORCE (overlegscheiding) COMING APART, TOGETHER

It is now possible to end your marriage in a fair and respectful way, based on finding common interests and a unified vision for the future.

Two collaboratively trained expert solicitors will create an environment where you can both express your needs and interests and keep control over the pacing and costs of the divorce process. You will shape the best outcome for yourselves and your family by working cooperatively rather than using up your resources fighting.

This is a divorce with integrity.
